Hard Skill

- Problem Solving
- Creativity
- Communication skills
- Programming
  (python,javascript,css,html)

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Education Background

- Green Valley Matric Higher Secondary School (Higher Secondary)

- 2 year B.Tech AI and Data Science in V.S.B College Of Engineering Techical Campus

Communication Skills

- Tamil (Native)
- English (Strong)
- Hindi (Good)

"As a dedicated B.Tech 2nd year student specializing in AI and Data Science, I bring a passion for innovation and a strong foundation in programming languages such as Python, JavaScript, and CSS. My commitment to continuous learning is evident through my proactive approach to staying updated with the latest industry trends. Beyond technical skills, my effective communication and active listening abilities enhance my collaborative capabilities within a team. I am enthusiastic about contributing my skills and knowledge to a dynamic internship role, where I can apply my academic background and further develop my expertise in the ever-evolving field of AI and Data Science."

Projects

- Face Book login page clone using Html and CSS
